Terms and conditions

Products ordered from the online shop have a 14-day exchange and return right in the EU. In Finland you can leave the product to be returned at the post office or at Matkahuolto to be delivered to us as a so-called customer return. Fill in the return form and send it with the product to be returned. Experience Workshop ay will pay the postage for the return inside Finland. In returns from other EU countries the customer has to take care of postage him/herself.

Outside of the EU you have 7 working days time to return the goods from the day you have received them. The products must be returned unused and undamaged in their original packaging. In case the product is damaged or lost during product return, the customer will be responsible for the expenses.
